"The district committee member (D.C.M.) is an essential link between the group G.S.R. and the area delegate to the General Service Conference. As leader of the district committee, made up of all G.S.R.s in the district, the D.C.M. is exposed to the group conscience of that district. As a member of the area committee, he or she is able to pass on the district's thinking to the delegate and the committee." – [*The A.A. Service Manual*, p. S31](#)
